Edging Tapes

Hydrostick Oval

Transparent sticker for super-hydro treated lenses.

Oval, rolls of 1 000 pieces

Blue Stick

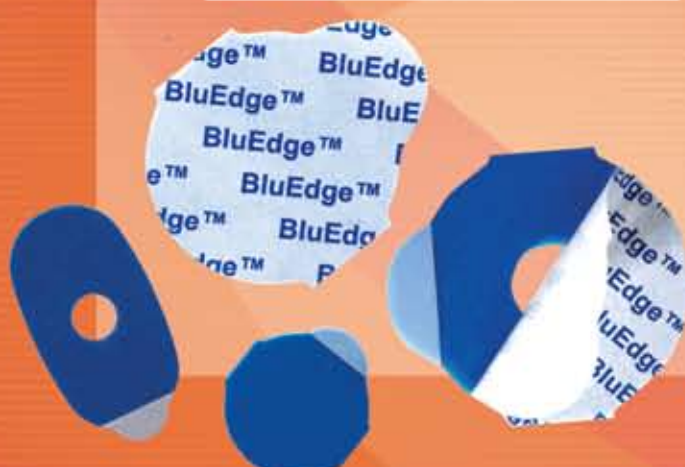

A round protective tape for the protection of the lens during edging.

30 mm Round, rolls of 1 000 pieces

Edging Blocks

We have a large selection of edging blocks that are the exact fit for our edging pads. Solid-center blocks provide the extra support needed for A-R coated lenses. Open-center blocks allow for more flexibility. Color coding assures proper base curve selection.
